required for the Office of the City Improvement Trust Board, Barcelona.

The Engineer Mr. reports that the above clock & time pieces were purchased at a total cost of Rs 46/10 and that a sum of Rs 53/6 is still available out of the sanctioned amount. He therefore proposes to purchase one more clock & three more time pieces & the amount of the balance of Rs 53/6 still available.

This proposal may perhaps be approved

Date 5th March 1945

To

The Secretary to Government,
Law Department, Bangalore.

Sir

Clock and Time pieces.

Adverting to G.O.No.L.6569-71-ML-157-44-36 dated 4th January 1945 conveying sanction to the purchase of one clock and two time pieces cost not exceeding Rs.100/- etc., I have the honour to state that one clock and two time pieces have been purchased in consultation with the Secretary, Stores Purchase Committee at a total cost of Rs.46-10-0, the cost of the clock being Rs.19-14-0 and that of the two time pieces Rs.26-12-0.

When the office is fully expanded several sections will be located in independent halls and rooms and each hall or room has to be provided with either a clock or a time piece.

As a sum of Rs.53-6-0 is still available out of the sanctioned amount, I request kind approval of Government for purchasing one more clock and three more time-pieces out of the balance amount still available.

The above requirement had been provided by me in my previous letter No.411 dated 2.12.1944 but I agreed to the reduction in number in the interest of economy. As it is now found that the required number of clocks and time-pieces may be had without incurring heavy expenditure, I request that sanction of Government may kindly be obtained to my above proposals.

I have the honour to be,
Sir,
Your most obedient servant.
